## Three different ports!:

(Please read the terms and conditions of your certificate...enclosed)

### Sail from one of three different ports!

#### *Port Canaveral, Florida:*

Port Canaveral is the home of the Kennedy Space Center, where you can catch a fascinating glimpse into the history — and future — of the U.S. space program. Or, take a leisurely stroll along the Cocoa Beach Pier; the shopping is great and the beach views are truly “out of this world.”

#### *Miami, Florida:*

You can feel Miami vibrate with the energies of different cultures coming together to revel in near-perfect tropical weather.

#### *Los Angeles, California:*

LA is the one of the few places where you can go surfing in the morning, snowboarding in the afternoon, be part of a TV show taping, or rock it on the Sunset Strip!

### To one of these fabulous locations!

#### *Ensenada, Mexico:*

This often visited Baja destination is a multi-faceted jewel. Among its most popular locations are the waterfront promenade, the fashionable shops of Avenida Primera, and the winery of Bodega Santo Tomas, founded by the Dominicans in 1888.

#### *Nassau, Bahamas:*

Picture an idyllic place with stretches of perfect white-sand beaches, gracefully swaying coconut palms offering oases of shade, and warm, crystal-clear waters. Whether you spend the day shopping for mementos, or touring in a glass-bottom boat, chances are you'll leave with lots of beautiful memories.
